Beethoven: Missa solemnis
Phi Records 2012

Beethoven: *Missa solemnis*, Op 123: *Gloria* (16:31)

Marlis Petersen, soprano; Gerhild Romberger, mezzo-soprano; Benjamin Hulett, tenor; David Wilson-Johnson, baritone; Collegium Vocale Gent; Champs-Élysées Orchestra / Philippe Herreweghe

This major work of the sacred repertoire, high on the list alongside Bach's Mass in B minor and the Mozart Requiem, is Beethoven's longest work and the one he considered his finest. Philippe Herreweghe shares this opinion and judges the *Missa solemnis* to be one of the apogees in the history of classical music.
